

2023 Michigan Impact Report

We are dedicated to reducing disparities in access to care for cancer patients by removing financial barriers related to indirect costs associated with treatment. Every individual should be afforded an opportunity to seek quality healthcare and treatment for breast cancer and other cancers without the concern of meeting the everyday needs of life.

Event Spotlight *Stake the Lake*

2023 marked the 5th Stake the Lake event at Bayshore Park in Munising. The walk allows us to celebrate the spirit of survivors and honor the memory of loved ones touched by cancer.

In 2023 we had a record 402 registered participants, 3 Platinum sponsors, 10 Pink Diamond sponsors and 33 Pink Pearl sponsors and raised over \$28,370.

The Eric Beverly Fund has allowed me to take a deep breath to focus on my treatments, family, and recovery. Danielle's openness, personal knowledge and support has been a blessing through my cancer fight. It is a blessing to have such an amazing foundation in our community and I am so grateful for all the sponsors that make the Eric Beverly Foundation possible.
