

2022 Michigan Impact Report

We are dedicated to reducing disparities in access to care for cancer patients by removing financial barriers related to indirect costs associated with treatment. Every individual should be afforded an opportunity to seek quality healthcare and treatment for breast cancer and other cancers without the concern of meeting the everyday needs of life.

Volunteer Spotlight

*Sue Passinault and her
husband Dave*

Sue has been involved in the foundation since the very beginning, and she is now spearheading Stake the Lake, our annual fundraiser. Whether it's organizing sponsors, walkers or decorating our beautiful garden stakes and crosses, Sue makes it happen. We're so grateful for Sue and all she has and continues to do to support our efforts in Alger County.

The Eric Beverly Fund has allowed me to take a deep breath to focus on my treatments, family, and recovery. Danielle's openness, personal knowledge and support has been a blessing through my cancer fight. It is a blessing to have such an amazing foundation in our community and I am so grateful for all the sponsors that make the Eric Beverly Foundation possible.
